

SENIOR PROJECT PROPOSAL/DESCRIPTIVE ESSAY

Student Name _____

Date _____

The project and related activities must be school appropriate. The final decision on approval by the teacher rests with administration.

Essay:

As a separate Word document, write a 300-word essay describing your senior project. You may address some or all of the following topics:

- How you came up with your idea
- How the project relates to your life outside of school
- How this project relates to your future
- Obstacles you may face as you work on your project
- How you will go about completing your project
- What you hope to learn/accomplish
- How does your project positively effect others or your community

Project Elements:

Select 5 of the following options for the presentation of your senior project.
