

Senior Project  
Business/ Marketing  
Review and Progress

Name \_\_\_\_\_

Mentor \_\_\_\_\_

Circle the appropriate month of the assignment.      Jan.                  Feb,                  March

1. Your senior project is either related to your Academy class or to a particular interest you have. Think about the work you have done so far and circle or highlight those skills you have utilized.

Teamwork  
Persuasion  
Research  
Record keeping  
Finance  
Charts/graphs  
Communication (English)  
Creative Design  
Timelines/goals  
Small business support  
Problem solving  
Other (list)

2. Select 2 skills from the above list and write an in depth paragraph (5 -7 sentences) describing exactly what you did and what skills were required with this step in your project. (Use the back of this page)

3. List 5 detailed examples of how this project has taught you skills that will assist you with life (work, school, personal) after high school.

A.

B.

C.

D.

E.

4. What problems or hold-ups have you had while working on your senior project? How did you handle this problem?
  
5. If your project is a product, have you taken pictures of it and filed them in your portfolio? If you have no pictures or product, explain what verification you have of your work thus far.
  
6. Describe one accomplishment you achieved in doing the senior project that makes you feel proud of yourself.
  
7. Estimate what month and date you will finish your project.
  
8. What has your teacher or mentor told you about your project and the progress you have made?
