

Senior Project Proposal

Student Name _____

Grade _____

Mentor teacher _____

When completed and graded, this document should be placed in TAB 12 of the portfolio.

1. Write a paragraph (5 - 6 complete sentences) about the idea you have for a senior project.

2. Explain how this project will relate to life outside of school?

3. Select at least two different types of research and explain your purpose for each.

_____ Internet

_____ Personal/ phone Interview

_____ Note taking (non internet source)

_____ "Field trip" (name of business/location)

4. A journal will be required as part of your senior project. Progress, contacts and reflections will be recorded every 2 weeks. Your first journal topic is the following:

How do you feel about beginning your senior project and what do you think will be difficult for you?

5. What do you hope to learn from your project (Outcome)?

6. At this time – how will you present your project? *All are required to have an explanation, however, these may be included in the video or power point.*
(5 – 10 minute presentation) More than one is recommended.
