

MEDICAL ACADEMY

The Medical cluster focuses on careers in planning, managing, and providing health care and research related services. Ida S. Baker HS has identified four pathways within this cluster: **Pre-Med/Nursing Services and Health Occupation Specialties**. Most positions require certification and licensing.

Pre-Med/Nursing Services

The purpose of this course is to provide information and experiences to students who are interested in obtaining advanced training in the health occupations industry.

Health Occupations Specialties

The program is designed to prepare students for employment or post-secondary education in careers to include but not limited to radiology, repertory, physical therapy, sports medicine, and first responder.
